7.2 Annual Reports

All officers, boards, standing committees and special committees of the Town having charge of the expenditure of town money shall annually report thereon in writing in such manner as to give the citizens a fair and full understanding of the objects and methods of such expenditures, referring, however, to the report of the Town Accountant for statements in detail of receipts and payments, and may make therein such recommendations as they deem proper. Such reports shall be submitted to the Selectmen for inclusion in the Annual Town Report on or before the 31st day of January, for the calendar year preceding. Boards, departments, committees, and officers that exceeded appropriations falling within their jurisdiction for the previous fiscal year will state the amounts overdrawn. All such reports from officers, boards, departments and committees shall include a list of all their employees, both salaried and hourly, with the total amount of annual compensation along side each name if the amount for any particular employee is -0-, that fact shall be included in the report. (amended May 1978 and May 1986)

7.2.1 Financial Reporting

The annual report shall contain, in addition to the reports of officers, boards, and committees as hereinbefore provided, a detailed report of all moneys received into and paid out of the Town Treasury in the financial year next preceding and from 1 July to 31 December of the current fiscal year, showing separately payments made from the proceeds of loans as capital outlays for permanent improvements; the report of the Collector of Taxes, of receipts, payments and abatements; statements of funds belonging to the Town or held for the benefit of its inhabitants; a statement of the liabilities of the Town on bonds, notes, certificates of indebtedness, or otherwise, and of indebtedness authorized but not incurred, and of the purposes thereof; a statement of transfers made to or from any appropriations; abstracts of the records of the meetings of the Town held since publication of the last Annual Report; and such other matters as the said report is required by law to contain, or as may be inserted by the Selectmen under discretion granted them by law. (amended May 1986)

Wayne Stuart

September 5, 1937 – June 25, 2016

It's with great sadness we recognize the passing of Wayne Stuart, a longtime resident and most dedicated member of the Finance Committee. Wayne was instrumental in leading the annual budget process, Capital Planning, and developing sound financial strategies that have kept the Town financially strong. He built a strong working relationship with the Regional and Elementary School administration, enabling Brimfield to better balance school financing needs and town resources.

He was also a member of the Board of Directors for the Ambulance service and served as President. Each year Wayne could be found down on the town common helping with the annual plant sale.

Words cannot properly express our gratitude for his contributions, kindness and integrity. His presence will be sincerely missed.

RICHARD (DICK) MORRIS

1944 – 2016

A TRIBUTE

Dick Morris and his family started giving to their town---our town in---1967 when Dick and Sandy moved to Brimfield as a newly married couple. Let's not settle for words to pay tribute to Dick who left us in 2016 to start on the next leg of his journey. Rather, let us follow his example. Let's Pay It Forward. Let's continue in Dick's memory to give to our community and reach out to those in need. Let us always be ready to give 110%----as Dick did.

Here is a list based on Dick's decades of giving to Brimfield as a volunteer:

- On the Fire Department saving lives and homes
- On the Highway Department clearing our roads of snow
- One the Brimfield Ambulance Service, responsible for acquiring as a gift our first back up ambulance, as an Ambulance Driver and President of the Board of Directors
- On the Emergency Management Team as a Member and then Director
- Instituting the Code Red in town
- As a Constable
- As Moderator during Town caucus meetings
- As President of the Board of Trustees and Investment Advisor for the Hitchcock Free Academy
- As a very active member of the Brimfield Congregational Church, the Church Choir, the Moderator, Trustee, Deacon and Investment Advisor
- As President of the Brimfield Historical Society
- He served on all of the above for many years, most for several decades.

Finally, and most important, as a loyal and giving son, husband, father, grandfather and friend. Dick was always there to help in any way that he was needed. What do you say? Let's pay tribute to Dick by following his example. Let's Pay It Forward. Volunteer and give to our Community. Dick will smile, knowing that The Anchor Holds!

S. Morris, D. Moriarty & R. Hanna

Stephen J. Denning

1963 – 2016

Stephen Denning passed away suddenly on September 14, 2016. He was a lifelong resident of Brimfield and served the area for over 35 years as a Brimfield Firefighter and an EMT with the Brimfield Ambulance Service. He started when he was 18 and he retired as the Fire Chief after holding that position for over 10 years. For many years, he was Brimfield's Civil Defense Director, later known as the Emergency Management Director. He also served the Town of Holland as a Police Officer.

Steve genuinely loved bringing people together; whether for school spirit, town business or calming those he cared for in the ambulance. He often volunteered his Disc jockey services to entertain kids at the Brimfield and Holland Elementary Schools. Steve spent many weekends spinning records for birthday parties, weddings or fundraisers.

For several years after his graduation from Tantasqua, the Stephen J. Denning Award was given to the seniors who showed the most school spirit. He truly loved seeing people together and happy.

Brimfield Agricultural Commission

With the help of the community and the AgCom members, The Agricultural Commission was successful in establishing Brimfield as a "Right to Farm" community. Brimfield will continue to be a farm friendly environment and promote agricultural businesses in the community.

A Brimfield Agricultural Committee Facebook page has been maintained to highlight local farms and bring awareness to their offerings. This tool has been great for the Agricultural Community to promote farming and exchange information within the community. Please like and share our page!

With promoting agricultural interests in town, the AgCom has been working on setting up speakers and informational sessions on various topics. The first will be in the spring on raising chickens- stay tuned for the upcoming dates!

The Agricultural Commission goals for 2017 include continually helping promote agricultural interests in town, growing and adding in more informational sessions, and making ourselves useful to the town boards and the farming community.

Emergency 911

BRIMFIELD AMBULANCE ANNUAL PLANT SALE SATURDAY, MAY 20, 2017 ON THE BRIMFIELD TOWN COMMON

The annual plant sale is our one fund raising event held each year offering beautiful hanging baskets, annual and perennial flowers as well as vegetables for your garden. We appreciate your support and look forward to seeing you again this year.

Brimfield Ambulance Service, Inc. is a private not for profit organization supported in part by Brimfield, Holland, and Wales. It is also supported by payments from insurance companies, Medicare, and Medicaid for services rendered. With many private not for profit ambulance services having to close their doors due to lack of funds, we feel fortunate to be among those still operating. We gratefully accept donations and memorial gifts at the address above. All donations are tax deductible.

What you can do before the ambulance arrives. After you have called 911, there are several things you can do until the ambulance arrives.

- Do not move the patient unless it is absolutely necessary.
- If you determine the patient is pulse less and non-breathing, begin cardiopulmonary resuscitation (CPR), but only if you have been trained in this life saving technique.
- Stay calm and try not to get overly excited. Always consider the patient's emotional, as well as physical needs. Reassure the patient that help is on the way.
- Gather all medications that the patient may be taking along with emergency medical cards. This will help Emergency Medical Service (EMS) better determine the medical history of the patient.
- Move all furniture or obstacles out of the way so EMS has easy access to the patient.
- Keep track of times, such as when was the last time you spoke with the patient, how long has the medical condition existed, and how long has the person been unconscious.
- Give EMS a good description of the accident scene or medical condition of the patient

We thank the Paramedics and Basic EMTs for being part of Brimfield Ambulance Service, Inc. and sincerely appreciate their dedication.

Brimfield Ambulance Service, Inc. is a 501(c)(3) not for profit organization. We are a Licensed Paramedic Service serving the towns of Brimfield, Holland and Wales 24 hours a day 7 days a week.

BRIMFIELD ANIMAL CONTROL

Annual Report - 2016

Christian Petersen
Animal Control Officer
413-292-7406

Leslie Leasor
Animal Inspector
413-668-8698

Brimfield Animal Control consists of two officers, Animal Control Officer Christian Petersen and Animal/Barn Inspector Leslie Leasor. Officer Petersen serves as an Animal Inspector handling calls relating to dog bites/rabies quarantines, large animals, abuse/neglect complaints and routine wildlife matters. Inspector Leasor handles the State's annual barn inspection program and animal census count in addition to responding to complaints or nuisance calls received through the Board of Health.

Both the Animal Control Officer and the Animal Inspector are under the jurisdiction of the Brimfield Board of Health through appointment by the Massachusetts Department of Food & Agriculture, Bureau of Animal Health.

Over 2016, Officer Petersen responded to 82 calls for assistance ranging from missing/stray/stolen dogs, barking dog complaints, loose farm animals, neighbor animal disputes, and answered general calls relevant to issues of Rabies and Lyme disease.

During 2016, 6 dogs, 5 cats and 1 fox were quarantined by Officer Petersen for varying lengths of time as required by Massachusetts General Law for possible exposure to rabies.

Annual Barn Inspector, Leslie Leasor, inspected 44 private residences with animals, 2 working farms and 2 boarding stables in Brimfield visually inspecting all large animals for signs of disease, improper care and checking for sanitary and humane environments. In total;

Horses & Donkeys	115	Cows	44	Sheep	75
Goats	24	Llamas/Alpacas	7	Peacocks	1
Turkeys	50	Chickens	241	Rabbits	3
Ducks	16	Pigs	2		

To contact Brimfield Animal Control, please call (413) 245-7222 (the New Braintree Dispatch Center) and request assistance. The appropriate personnel will be paged and return your telephone call as soon as possible.

The Board of Assessors is comprised of three members each elected for a three-year term. The Board members are, Carolyn Haley, Chairman of the Board, Robert Sullivan and Judith Sessler. The daily functions of the Assessor's Office are managed by Assistant Assessor Cynthia Poirier. The Board is once again appreciative of the expertise of Roy Bishop & Associates, as valuation consultant.

Assessors are required by Massachusetts Law to list and value all real and personal property. In addition the Department commits Motor Vehicle excise tax, administers Chapter 61 forest, farming and recreational programs, processes abatements, exemptions, inspects building permit changes, new sales and maintains the computer based property records for all land, buildings and businesses within the town of Brimfield.

2016 was an exceptionally busy year for the Board of Assessors as it was a state mandated triennial certification year. The Bureau of Local Assessment triennial certification process consists of a data quality review, a statistical ratio studies review, and a valuation review to ensure that proper appraisal methodology was utilized uniformly and equitably applied to all property. The Assessors also worked in collaboration with the Treasurer to obtain Land to Low Value foreclosures from the Department of Revenue on 13 properties.

In addition, the cyclical inspection program continued throughout the year; and will continue into the current fiscal year to fulfill the Department of Revenue requirement that all property is inspected at least once every nine years. The Assessors go door-to-door throughout neighborhoods to do both interior and exterior inspections and appreciate the cooperation of the taxpayers while performing these inspections.

The Assessors also maintain a mapping system for assessment purpose and worked to obtain a supplemental grant from MassGIS to successfully create a GIS website for the Town of Brimfield. The grant allowed for additional layers to be added such as Chapter Land and Trails, the link to the GIS website may be found on the Town Of Brimfield website.

The Board of Assessors meets on the 1st and the 3rd Tuesday of each month at 4 p.m. and welcomes the public to attend our meetings.

**ANNUAL REPORT OF THE BOARD OF REGISTRARS
CALENDAR YEAR 2016**

The Board of Registrars (appointed by the Board of Selectmen) is responsible for maintaining the voter lists for the Town of Brimfield and tasks associated with the annual street census. These tasks are administered by the Town Clerk, under state statutes which provide for the unique cooperation between the appointed board and the elected official.

The Board of Registrars is required by law to certify signatures on petitions presented by candidates for various elected offices (local, state, and federal) as well as petitions for articles to be considered at our Annual Town Meeting and bills in the Massachusetts Legislature.

The Board devotes time to help with voter registration and is essential to the fair and open conduct of our elections.

Registrars encourage all households to return the annual street census, distributed each year. It protects your right to vote, serves to establish a valuable population reference and helps in school planning.

Voter statistics and election results are included in the Town Clerk's report.

Respectfully submitted,

Brimfield Facilities Study Committee

23 Main Street, Brimfield, MA 01010

Welcome to the second annual report of the “Building Committee” for calendar year 2016. As you may recall the committee was formed in June of 2015 to address the condition of the town’s main facilities and to make recommendations for their repair, demolition, expansion, or replacement. The committee was originally formed with 15 members and met approximately every two weeks since June of 2015. In late 2015 the committee hired the firm Lamoureux and Pagano to serve as our Owner’s Project Manager and the firm Jones-Whitsett Architects as our designer. The effort at each meeting was to develop a full understanding of the condition of the town’s main buildings and to develop a plan to correct the deficiencies we discovered through renovation, redesign, demolition, and construction.

There were many concerns identified by the committee. Every town building we studied needed some degree of renovation or replacement. There wasn’t a single Town department that had sufficient space or whose space was appropriate for their needs. The Annex building built in 1819 and the attached barn appeared to be the worst building with considerable structural concerns discovered and limited space concerns. The Library building fails to meet the Federal standard for handicap accessibility and has outgrown its current square footage. Problems were identified at the Highway Garage and at the Firehouse. The situation where the Police Department is still located in a too small, borrowed office inside the Firehouse was also noted and discussed.

Given these broad, and in some instances serious, concerns the committee saw the need to discuss a comprehensive solution. With the guidance of the Owner’s Project Manager we hired, the architects were asked to design solutions to the needs we had identified. Many meetings were spent working on those ideas and shaping them into a package we could present to the towns people at the Annual Town Meeting in May.

The architects were able to design a plan that addressed many of the concerns and provide reasonable and adequate space for all of the Town's Departments and Boards. Modifications were designed for the Library and expansion was planned for the Firehouse and Highway Garage. A home for the Police Department was planned and new spaces for the all of the Town Hall offices now served by the Annex were designed. The cost of this plan was significant at just over 12 million dollars but the committee felt the comprehensiveness of the plan justified the expense, and a "Piece meal" approach would inevitably cost the taxpayers more money over the years.

The committee tried to keep the residents informed of their work and direction throughout the planning stage by sending out notices and letters to every home in town. A public hearing was also held to help the residents understand the facets of the plan and the costs they could expect. The committee presented their design for all the buildings at the Town Meeting and the measure passed overwhelmingly by a vote of 156-11. A few weeks later at the town elections a funding measure was defeated by the voters by about a 2-1 margin. With no funding approved by the voters, the plan as presented and passed at the town meeting could not proceed. The committee continued to meet and discuss ways to modify the plans to either save money or spread the costs out over a longer number of years.

As 2016 drew to a close the committee continued to meet and work on solutions as none of the conditions at the Town's buildings has improved on their own. The winter snow loads posed a real threat to the Barn and Annex to the extent the Barn and the Connector were closed to all and the Annex roof was ordered raked after any significant snow falls by the Town's Building Inspector. With more meetings and additional effort on the committee's part ideas continue to develop and another, modified, proposal is expected for the May 2017 Town Warrant.

Respectfully Submitted,

Brimfield Facilities Study Committee

Annual Report of the Bylaw Committee – calendar year 2016

The Bylaw Committee reviews all proposed bylaws, except zoning, by holding a public hearing at least five days before any town meeting or election at which bylaws will be voted. The hearing is posted in at least five public places in the town at least five days in advance of hearing. The Bylaw Committee makes a recommendation to voters on every proposed bylaw, except zoning, prior to voter action. The Bylaw Committee may also review existing bylaws from time to time and propose amendments, additions, or corrections for voter action; submitting same to selectmen for inclusion in any town meeting warrant. The Bylaw Committee may also assist boards, committees, town officials, and citizens in the preparation of bylaws for voter action.

Bylaw Committee Report to Annual Town Meeting May 16, 2016

The Bylaw Committee held a public hearing, duly posted, on May 10, 2016 for the purpose of hearing comment on proposed bylaws or amendments to general bylaws. All members were present and voting. The Bylaw Committee determined that their responsibility extended to the review of Town Meeting Articles 36, 37 and 38 and voted the following recommendations:

ARTICLE 36: “To see if the Town will vote to amend the General Bylaws by approving the following Non-Zoning Wetlands Protection Bylaw...”

By a vote of 3 in favor of Article 36 and 0 opposed, the Bylaw Committee recommends approval of this article.

ARTICLE 37: “To see if the Town will vote to amend the General Bylaws by adopting a Right to Farm Bylaw...”

By a vote of 3 in favor of Article 37 and 0 opposed, the Bylaw Committee recommends approval of this article.

ARTICLE 38: “To add the following bylaws to create the position of Town Administrator...”

By a vote of 0 in favor of Article 38 and 3 opposed, the Bylaw Committee recommends disapproval of this article.

TOWN OF BRIMFIELD

Commonwealth of Massachusetts Cemetery Commission

"To Know the Character of a Community,
I Need Only Visit its Cemeteries."

- Benjamin Franklin

The Brimfield Cemetery has completed a busy and productive year. We have undertaken an extensive grub control program. Moles were attracted to grubs, so we spent a significant amount of time and money on grub control. The grubs also attracted skunks. Our responsibility is to provide a clean and welcoming place to visit and we are proud of our efforts on your behalf.

When you visit the cemetery, please look at our new bulletin board, mounted on the side of the tool shed. It lists our rules and regulations, the fees for lots, plots and additional services, the names and phone numbers of the commissioners and any additional information we feel is of interest and importance about the cemetery. The bulletin board is the first place to look if you have questions about the cemetery. The commissioners are always available should you need us.

The cemetery is open for winter burials with an additional charge for propane to thaw the ground and the extra work involved. We have seen an increase in cremations. We are able to bury cremains over existing full burials, which will save expenses for families who already own sites in the cemetery. May we suggest that having a permanent place where future generations may visit is a practical and thoughtful alternative to scattering ashes?

We would like to thank Anthony Byes and James Lamoth, our grounds crew, Patti Bamberger, our Administrative Assistant, Zach Lemieux and the Highway Department for their hard work and wise assistance.

In conclusion, the cemetery is on firm financial ground and our records are always available for review.

The following people found final rest in our cemetery this year;

Louise Perry	Norma Berard	Francis Sullivan	Glenn McIntyre
Ruth Bastin	Richard Morris, Sr	Gloria Smith	Richard Puduski, Sr
Stephen Denning	Donald Beers, Jr	Ignatius Sherris	Night Eyes Martin

REPORT OF THE COLLECTOR

Payments may be made in person, online at www.brimfieldma.org, left in the payment drop-box at the entrance to the Town Hall Annex parking lot, or sent by mail. Please do not direct your tax payments to any other department. If tax payments are mailed, they must be addressed to Collector, PO Box 46, Brimfield, MA 01010. Payments addressed to any other address may not be received in a timely manner.

Various departments have Post Office Boxes. Some of those departments meet infrequently or use home offices. Although I will do my best to forward any documents directed to another department and enclosed with your payment, I cannot guarantee that your documents will be received as quickly as if it they been sent separately to that board or official.

All Real Estate and Personal Property tax bills not paid by the due date are subject to interest at the rate of 14% per year. All Motor Vehicle Excise tax bills not paid by the due date are subject to interest at the rate of 12% per year. Interest is calculated from the first day after the due date of the bill to the date payment is received. In addition, various fees are added to delinquent bills, as additional steps are taken to collect these bills. Additional fees are collected for documents provided by the office to outside entities. All interest and fees become part of the town's General Fund, and are used to reduce the tax rate.

Conservation Commission Introduction

The Brimfield Conservation Commission (Commission) administers the Massachusetts Wetlands Protection Act (WPA) (M.G.L. Chapter 131 Section 40) and associated regulations (310 CMR 10.00). The Commission also reviews any Forest Cutting Plans or Septic System plans within the jurisdiction of the WPA; and any project within areas of protected rare/endangered species and/or priority habitat governed by the National Heritage Endangered Species Program (NHESP), a division of the Massachusetts Fisheries & Wildlife.

Accordingly, any proposed activity that may remove, fill, dredge or alter a wetland resource area is subject to Commission approval. Wetlands that are subject to protection under the act include any area within 100 feet of a swamp, marsh, forested wetland, vernal pool, pond, intermittent stream, and the 100-year flood zone. The Commission also has jurisdiction within 200 feet of a stream that flows year round. It should be noted that wetlands may not be wet all year round and low areas that flood in the spring may be considered wetlands as well. Do not hesitate to contact the Commission if you have any questions or concerns about potential wetland resources.

The Role of the Conservation Commission

The Commission regulates permit activities that may alter wetlands or their buffer zones in protected areas. Regulated activities include, but are not limited to, dumping leaves, brush, grass, debris, cutting trees or shrubs, reconstructing lawns, building or constructing any type of structures or a septic system, grading, excavating, or filling, changing storm water discharge, polluting wetlands or streams, creating any impervious surface (paving a driveway). Activities within protected area may require a permit, for more information on any given project please consult our Wetlands Protection Brochure available in the Conservation Commission Office or online at the Commissions homepage.

Members of the Conservation Commission

The Commission is made up of Brimfield residents that share a passion for protecting the wetland resources of the town. Commissioners are appointed by the Board of Selectmen for a three-year term. The commissioners and staff are continuously educating themselves through training programs, seminars and conferences sponsored by the Massachusetts Department of Environmental Protection (DEP) and the Massachusetts Association of Conservation Commissions (MACC) in order to stay current with constantly evolving rules and regulations, updated scientific data and best management practices.

The following Conservation Commission Members served in 2016: Mr. Roger deBruyn (Co-Chair), Ms. Michele Restino (Co-Chair), Mr. Joe Collins, Mr. Joe Coan, Ms. Carol Platenik, Mr. Stephen Phifer, and Ms. Marissa Simpson. There are currently no vacancies on the Commission, but any interested resident could participate in the Commission's activities as an Associate Member.

Additionally, Ms. Sarah Brodeur has been serving as the Town's Conservation Clerk since October 2016. The Conservation Department lacked a staff person from June to October 2016, but needed an employee to ensure that the Commission was functioning normally. As Conservation Clerk, Ms. Brodeur's role includes attending regular Commission meetings, compiling agendas and meeting minutes, assisting landowners with wetlands-related inquiries, and drafting permits (Orders of Conditions). The hourly wage for this position is \$16.00 per hour, and the position is budgeted for 10 hours a week.

Important Issues and Accomplishments of 2016:

Over the 2016 Calendar year the Commission has dealt with several important conservation issues, such as:

- **Opacum Land Trust Conservation Partnership Program (CPP) Grant Award – Thompson Forested Parcel:** Opacum Land Trust has been awarded a grant from EEOA of \$83,500 towards the purchase of the Thomas Forested parcel, if they can raise the rest of the money for the purchase. Opacum Land Trust would be the owner, and the Conservation Commission would hold the CR. Together Opacum and the Commission are committed to making this a publicly accessible conservation area that will become a great hiking, birding, hunting and overall outdoor destination in town, plus it would provide an additional access point into Brimfield State Forest.
- **Lake Sherman Management Plan:** The Commission worked closely with the Lake Sherman Association and the Board of Selectmen to develop an ecological restoration plan for Lake Sherman to control of the high density growth of non-native aquatic plant species. The goal is to restore native plant species and water habitat while providing safe recreational access to the lake. The ecological restoration work under the guidance of the management plan began in 2016, and will continue for the next four (4) years.
- **Reduced Administrative Capacity of Conservation Department:** The Commission experienced the loss of the Conservation Agent position due to funding restraints imposed upon the Conservation Department at the beginning of Fiscal Year 2017. The Commission had to reduce its administrative capacity as a result of the budget cuts to the Department, and acquired a Clerk as opposed to an Agent as its staff person. The Conservation Clerk has limited authority as compared to a Conservation Agent, with respect to ensuring permit compliance and performing site visits to project locations, which can lead to improper management of the Town's water and other resources, of which there are many.

Goals/Activities for 2017:

- **Implementation of the 2015 Open Space and Recreation Plan:** The Commission has actively been working with the Open Space Committee toward implementing the 2015 Open Space and Recreation Plan. Main objectives for this coming year are to develop access to the Quaboag River for boating and fishing, as well as acquire additional conservation land in areas identified through the plan.
- **Town-wide Trails, Conservation and Recreation Lands General Maintenance Permit:** The Commission has been in discussion with other town boards about developing a town wide wetlands permit for generic trail maintenance and land management activities on town owned land. Other towns have perused this option because they often own/manage lands that have wetlands and/or buffer zones associated with them. Such town entities should be allowed to practice certain maintenance and/or minor activities without having to file individual permit applications for each activity. Our goal is to issue a permit that provides specific standards for trail work and land management activities; that expedites the process when a town entity wishes to conduct a project in jurisdictional areas. By developing a consistent set of standards and procedures for conducting work near wetlands, the Commission strives to encourage trail work that improves the functions

and values of the wetland and sets an example for other landowners wishing to maintain trails and conduct similar land management practices.

- **Forest Management Policy:** The Commission intends to work with a local forester to develop a forest management policy for conservation lands in order to improve wildlife habitat, species diversity and overall ecosystem integrity and productivity. Through site specific selective cutting and targeted management objectives, the Town's Conservation Lands will become more resilient.
- **Quaboag River Blue Trail:** Like hiking trails, Blue Trails offer people an opportunity to explore. A water trail offers paddlers a healthy recreational activity and the chance to come to know a river. The Commission will be working with the Chicopee 4 Rivers Watershed Council (C4RWC) on developing a canoe/kayak trail on the Quaboag River. Two locations in town have been identified as possible portage stops along the lower Quaboag section of the proposed blue trail (which would run from the rest areas off Route 67, to the confluence of the four Rivers, in Three Rivers, MA). This year the Commission will explore the areas and conduct a feasibility assessment of the two (2) town owned parcels to determine the sites best suited for a portage.

The Commission is always looking to expand its base through associate members, interns or volunteers (for water quality monitoring, river clean-up and trail maintenance this summer). Anyone interested should contact the Commission at conservation@brimfieldma.org.

The Commission would like to thank all the residents of Brimfield for their support over the past years.

Respectfully Submitted,
Sarah A. Brodeur, Clerk, Brimfield Conservation Commission

**ANNUAL REPORT Fiscal Year 2017
COUNCIL ON AGING / SENIOR CENTER
BUDGET:**

General Expense: \$20929.00

Director's Salary: \$18898.00

Activity Coordinator Salary: \$12547.00 (18 hours weekly)
(16 hours weekly)

Receptionist Salary: \$12547.00 (18 hours weekly)

GRANTS:

Title III Grant by Greater Springfield Senior Services: Provides Salary for Outreach: \$9360.00 (15 hours weekly)

Formula Grant: \$6804.00 Supplements the costs of exercise programs: Tai Chi, Strength Training, Chair Dance, Yoga, Chair Yoga, Arthritis Exercise.

This was a year of ups and downs for the Senior Center. We were happy to see the vote on renovating the Town Hall to use as a Senior Center pass at the town meeting, and sad to hear that the towns people voted down the funding for the building project. The rapid growth of our senior population means space continues to be an issue. In 2016, we handled an average of 900 visitors, rides and calls each month. We hold a monthly party and sadly have had to turn people away due to capacity issues. We are one of the few towns in the area that does not have our own Senior Center building. We are hopeful the town's people will see the importance of our work and the need for a building of our own in the very near future.

The Council on Aging Van provides transportation to seniors and disabled residents of Brimfield for medical appointments, shopping, programs at the Senior Center and other trips. The van is driven by volunteer van drivers who are compensated through the Tax Work-Off program.

Our new transport van arrived in late fall. It is a beautiful van with a rear wheelchair lift. This replaced our 11 year old van that was falling apart. In 2016 we recorded 1859 rides for our senior and disabled population.

OUTREACH:

The Senior Center also serves as the Human Service Agency for the Town, providing ALL residents of ANY age with assistance in the application process for Fuel Assistance, Food Stamps (now called the SNAP Program), Home Health Care, Housing, Retirement Benefits and whatever other needs may arise. We also offer health insurance help and information for anyone over 65 or turning 65 needing help understanding Medicare. Outreach offers the Brown Bag program that provides supplemental food for our seniors. Eva Pittsinger, is the Outreach Coordinator and can be called on for help with these issues and more.

SENIOR CENTER PROGRAM:

The Brimfield Senior Center continues to grow. In 2016 we logged a total of 10,877 services, visitors, calls, and rides.

As the wants and needs of the 21st century seniors change, we have done our best to offer new and innovative programming. While we still offer the traditional bingo and knitting activities, it is our fitness and cultural programs that are rapidly growing.

A recent survey showed exercise, trips and social activities as Brimfield Seniors top priorities. We will do our best to meet their expectations in the coming year.

HIGHLIGHTS THIS YEAR:

We hosted a great trip to Vermont, filled the bus and the senior van and had to turn people away. The Friends of the Senior Center teamed up with The Friends of the Library for a Victorian Tea Party held in our wonderful Town Hall.

Every month we have a party, often with a theme. These parties are paid for by donations. We held our "Picnic on the Common" in June where we grilled hot dogs and hamburgers and enjoyed

a variety of salads. In November, we held our "Giving Thanks" dinner where we provided a traditional Thanksgiving Dinner to over 90 guests.

The Christmas Party featuring singer Tammy Casavante and food prepared by Annie's Country Kitchen, was attended and enjoyed by over 100 people this year.

In addition to parties, speakers, and entertainers, we offer a different exercise program every day of the week! These very well attended classes include Tai Chi, Strength Training, Yoga, and Chair Yoga, Arthritis Exercise and Chair Dancing.

We serve lunch twice a week, and have added Wednesday morning breakfast.

I'd like to say "Thank You" to The Friends of the Senior Center for their hard work at fund raising to support our Center, to our many supporters who donate money, food and equipment throughout the year, and especially to my staff, Elizabeth Sutton and Lila Brady who work tirelessly to make our senior center the warm welcoming place it is.

REPORT OF EMERGENCY MANAGEMENT

2016 Annual Report

2016 was a quiet year for Brimfield Emergency Management and we did not need to open our shelter at the Brimfield Elementary School. It was also a very sad year as we had to say goodbye to our excellent, devoted Emergency Management Director, Richard Morris.

Robert Corry agreed to return as Emergency Management Director and Wardwell Cox became our Assistant Director for Emergency Management.

In January of 2017 Wanda O'Connor was appointed as our new Emergency Management Director. She has a ten year background in Emergency Management for Harrington Hospital. She has been their Coordinator for Emergency Planning / Emergency Training for the last three years.

Before EMD Richard Morris stepped down, he successfully applied for and received an Emergency Preparedness Performance Grant in the amount of \$2,460 from the Massachusetts Emergency Management Agency. This was spent to supply our shelter with freeze dried foods which have a shelf life of 30 years – as well as freeze dried milk with a shelf life of 25 years. We also added 10 additional cases of bottled water.

Our budget from the town was spent on more emergency shelving for storage, American Red Cross NOAA AM/FM Weather Alert Radios, LED flashlights and batteries, as well as 30 Mylar Thermal blankets.

We met with two representatives from the Salvation Army, and received emergency contact information. The Salvation Army is prepared to drive food trucks into Brimfield when notified that these are needed.

Three of us were able to attend additional training at the Massachusetts Emergency Management Agency regional office.

We have two ***special requests*** for the citizens of Brimfield. The first is to make sure you have signed into the Code Red emergency alert program on our town website. You can receive emergency notifications on your home phone, your cell phone (voice or text) and by email. The reverse 911 system from the Worcester County Sheriff's Association is no longer available.

Our next request is to consider signing up as an Emergency Management sheltering volunteer. We began this group in 2002 under Robert Corry and many of us are now in our late sixties and early seventies. We periodically schedule Red Cross Shelter training at the elementary school so that volunteers can get to know each other as well as learn the steps for opening / maintaining the emergency shelter.

Respectfully submitted,

Charlotte G. Corry, Emergency Shelter Manager

Town of Brimfield
Finance Committee Annual Report
Fiscal Year Ending June 30, 2016

The Finance Committee is pleased to report that a balanced budget for FY 2016 was prepared, presented to the town, and voted at town meeting that supports municipal services, schools, and planned capital purchases within the limits of Proposition 2 ½. This includes an overall increase in municipal employee wages & salaries in line with inflation (2%), funding the capital plan, and significant planned capital purchases.

The total municipal and school expenditures increased by \$156,256 (1.86%), resulting in a Town operating budget of \$8,537,660. The main sources of the municipal increases were the county retirement assessment, electricity, Veteran's benefits, and increases to maintenance and repair costs. The Tantasqua Regional School assessment increased by \$94,378 (4.4%), and the Elementary School increased by \$19,201 (0.5%).

Although State aid remained level at the FY 2015 amount of \$1,672,845, increases in local receipts, overlay surplus, and free cash applied to the tax rate increased the total revenues by about \$723,000 (29%). The increase was used to fund the Capital Stabilization plan for the 3rd straight year, increase the general stabilization fund, and fund several capital purchases including upgrading the computer network in the Elementary School, replacing underground fuel storage tanks, and funding the facilities building committee to develop a plan for town buildings.

The establishment this year of a trust to pay for retirement benefits for town employees was an important step toward maintaining the Town's financial stability. Retirement benefits are paid from the current budget, with no contribution from the years in which the employee worked. Because of rising health care costs, the cost of these benefits projected in the future is resulting in a large liability to the town that will not be able to be paid by future town budget. The OPEB (Other Post-Employment Benefit) trust will help to keep up with the projected cost of benefits such as health care for current employees when they retire.

The Finance Committee would like to thank all of the town's departments, the Board of Selectmen, and School Officials for their help and cooperation to build a balanced budget and for managing their respective budgets to keep Brimfield in sound financial condition.

Finally, we would like to acknowledge with sadness the passing of Wayne Stewart, a longtime and most dedicated member of FinCom. Wayne was instrumental in leading the annual budget process, capital planning, and developing sound financial strategies that have kept the Town financially strong. He built a strong working relationship with the Regional and Elementary School administration, enabling Brimfield to better balance school financing needs and town resources.

Wayne's energy, perspective and wisdom will be missed.

**Annual Report
For the Fire Department
2016**

The Fire Department responded to 393 calls this past year. We would like to thank the citizens of the town for all their continued support. The annual Santa tour was a success again and will be conducted in the beginning of December.

The Fire Department would like to acknowledge and thank Chief Fred Piechota and Asst. Chief John Sherris who retired this past year for their years of dedicated service to the citizens of town. Chief Piechota gave 27 years and John Sherris gave 53 years to the department. We are thankful they will be remain part of the department in support roles.

The Fire Department continues to maintain and operate numerous pieces of apparatus including 2 primary engines, a forestry / rescue engine, a tanker / pumper, a forestry truck, and a light rescue.

The replacement of Tanker 1 (1979 tanker / pumper) is in process. We would like to thank our citizens for supporting the funding for the purchase of the much needed tanker / pumper. It will improve our capability to operate in a safe manner and provide the best possible fire protection for our community and surrounding communities.

In addition to responding to emergency calls, the fire department typically conducts training at least once a month in order to provide the highest level of service to the citizens. Training over the last year consisted of live fire training, rapid intervention, vehicle extrication, hazardous materials, water rescue, forest fire operations, as well as many others. We also conduct Student Awareness of Fire Education (SAFE) classes at the Elementary School and education classes at the Senior Center. The Fire Department secured a SAFE grant this year in the amount of 3,347 dollars.

The department also received a grant from the Department of Conservation and Recreation (DCR) in the amount of \$1972.21 dollars.

The burning season started on January 15th and ends May 1st. A burning permit can be obtained by logging into <http://www.c8burnpermits.com> between the hours of 7:30 A.M. until 12:00 P.M. on the day of burning. Please do not call 911 or any other number since permits will only be issued via the web. Fires cannot be started before 10 A.M. and must be completely extinguished by 4 P.M. As a reminder, only brush is permitted to be burned. The burning of trash, construction debris, leaves, etc. is strictly prohibited.

In closing, we would like to thank the Selectmen, residents, and local businesses for all their support for the fire department and the Brimfield Firefighter's Association. It does not go unnoticed.

Respectfully Submitted,
Brendan McCarthy
Chief

The Harding Charitable Trust Fund

2016

During the past year the Trust received a request for assistance from the Wales Food Pantry. The pantry serves the towns of Brimfield, Wales and Holland. The Trustees awarded a grant of \$500 to be used by the pantry to augment their food purchases. The Fund has also let them know that we will stand ready to help during the coming year as need arises. The people that receive this assistance are our friends and neighbors and we are glad to help.

The Brimfield PTO's Annual Thanksgiving Basket Drive received a grant of \$250.00 from the Trust. The donation was utilized to purchase perishables (such as vegetables, fruits, rolls, pies, butter and turkeys) which are placed in each basket. The food baskets are distributed to families from our community at Thanksgiving.

The Trustees would like to remind you that The Trust is privately funded through gift donations and receives no funds from the Town of Brimfield. The trustees are elected to administer the trust on behalf of the town and serve without payment.

The Trust is financially sound but always needs public support to continue as a viable non-profit charity. Your continued support is needed now, so please remember that a check made out to the Town of Brimfield (attention Harding Fund) will go directly into the fund.

In conclusion, our primary concern in the past few years has been and will be to provide food assistance. We are not prepared to provide individual grants and we are not a social service organization. The Trust is always interested in programs and requests for funds that have a broad benefit for Brimfield residents. You may contact us at the town hall and we will be glad to consider your request.

The Trustees are grateful for the opportunity to be of service to the town. We are also grateful to Patti Bamberger, who volunteers her time as our administrator.

We remind you that contributions are tax deductible. Please think of giving locally this year.
Thank you

Richard Sieweck, Chairperson

BOARD OF HEALTH

2016 ANNUAL REPORT

The Brimfield Board of Health is required by state statutes and regulations to perform many important and crucial duties relative to the protection of public health, the control of disease and the promotion of sanitary living conditions.

The Board of Health respectfully submits the following reports:

Community Outreach

Home Care Services: The Board of Health is responsible for controlling, preventing and reporting communicable and infectious diseases within the Town. The Home Care Services Department of Harrington Memorial Hospital is under contract with the Board to investigate, and control the spread of communicable diseases. Home Care Services maintain a permanent record of persons infected with a reportable disease dangerous to public health.

2016 Communicable Diseases Investigated

Group B Streptococcus	1
Influenza A	3
Hepatitis C	4
Human Granulocytic Anaplasmosis	2

Town of Brimfield Highway Department

Zachary Lemieux

Highway Surveyor

Brimfield Highway dealt with removing approximately 32" of snow starting at the end of December through the early part of April. Full time and part time employees did a great making the roads safe and passable for residents.

In October of 2016 John Sherris retired from the Brimfield Highway Department after 19 years of employment. His many years of service to Brimfield will be missed.

In the spring we did tree work, drainage work and reconstruction of a section of Marsh Hill to fix a reoccurring ice issue. We also swept all roads and painted the fog lines and center lines.

During the summer Apple Road was crack sealed, various sections were milled and repaved. The entire road was then micro surfaced to prolong the useful life of the road.

A section of Holland East Brimfield Road was also crack sealed.

Brimfield Highway also went to the Town of Warren to assist on two drainage projects and culvert replacements.

In the fall, 150' of drainage work was done on East Hill Road and 450' on Dunhamtown-Brimfield Road. Drainage culverts were replaced on Dunhamtown-Brimfield and Tower Hill Roads.

Road side ditch work was done on Brookfield Road and Little Rest Road.

In October we took delivery of a new 2017 ¾ ton pickup that was voted on at Town meeting. Thank you to the residents for your continued support.

Per usual in late fall the plows and sanders were repaired and prepped for the upcoming winter.

Highway Surveyor

I would like to recognize George Knight and Roger Gagnon for their 25 years of service to the Town of Brimfield Highway Department.

I would like to welcome James Lovendale to the Highway Department. Jim replaced John Sherris as the Town Mechanic.

I would like to thank George Knight, Roger Gagnon, John Sherris, James Lovendale, Ernie Blake and Patti Bamberger for their continued support and dedication throughout the year. Also to all the part time employees who are always willing to work when needed.

Thank you also to the Brimfield Police and Brimfield Fire Department. They are always available when needed.

Sincerely,

Zach Lemieux

Historical Commission

Annual Report, 2016

The Brimfield Historical Commission met monthly in 2016. Robert Corry was welcomed as a new member in January 2017. He has an abiding interest in historic preservation and his enthusiasm for local oversight is welcome.

The Historical Commission lobbied again for action on the facilities review and plan which was presented to selectmen early in 2014. The preliminary plan, presented by an architect hired by the Municipal Facilities Building Committee was accepted by the town, but failed a funding question at the Annual Election.

The Historical Commission favors a continuing effort to fund an architect's redesign as it concerns the ongoing use of three public buildings registered with the National Register of Historic Places (Town Hall, public library, and Salisbury house and barn).

The commission continued to monitor the Windmill rebuild, and was happy to see that winter weather was mild, and progress on the structure was evident early in 2016. The commission supports this landmark project (listed on National Register) and hopes to acquire the windmill as a town-owned landmark. The commission will also be deliberating on the anticipated expansion of Cumberland Farms which appears to include the demolition of the next door Morgan house and shop, also listed on the National Register of Historic Places.

The Historical Commission lent support to the Memorial Day ceremonies. As we have done for a number of years, the commission purchased and distributed small American flags to children and well wishers.

INTERESTED IN HISTORICAL COMMISSION? The commission may have up to seven members and would welcome letters of interest.

Annual Report-FY 2017, Budget: \$99,734.00

The Brimfield Public Library circulates books, periodicals, audio books, play-aways, DVD's, and CD's to members of Brimfield and the surrounding communities. We work to fill all requests for materials and information needed by our patrons. In our efforts to do this we attempt to keep up with the current best-seller list, procure other popular titles at the request of our patrons and continue to grow our already extensive DVD and TV on DVD collection. That which we do not own we are able to borrow at no cost from the Massachusetts Regional Library System through Inter-Library Loan. We deliver materials to home-bound individuals and keep in contact with the local schools to stay abreast of upcoming school projects and reading lists.

The Sherman room, located in the rear of the building, contains an impressive collection of genealogical and local historical artifacts that serve researchers from all over the country and abroad via e-mail and in person. The Sherman room provides a quiet place for homework, tutoring and hosts several library and community programs throughout the year. The Brimfield Mystery Buff Book Club and the Knitting Club meet every 2nd and 3rd Thursdays of the month respectively. New members are always welcome at each! The Sherman room is staffed on Monday mornings from 9:00-1:00 pm, Thursday evenings 3:00-6:00 pm and Saturday mornings 9:30-11:30 am. If you have specific questions or are researching a local family and these hours do not work for you, please e-mail us at library@brimfieldma.org and we will do our best to find what you are looking for.

The library continues to promote quality programming thanks to the generous support of The Friends of the Brimfield Public Library, Inc. The Friends of the Brimfield Public Library's 12th year was another great success. Thank you to everyone that supported the organization. Funds donated to the Friends group went towards our programming for the year. The Friends also supplied ink for the patron printer, flowers for the children's garden and museum passes to Old Sturbridge Village and Magic Wings. We also have museum passes to Mystic Aquarium, Wistariahurst Museum and the Connecticut Science Center. The Friends group organizes "The Best Business" raffle each October, which is a huge success made possible only through the generous donations of our local businesses and families. The annual membership drive is underway so please renew your membership today. For further details, or upcoming events check out our Facebook page.

The smooth operation of your library reflects the diligence and devotion of the staff

and Board of Library Trustees. We are supported by your taxes and value your suggestions. Please visit the library and let us know how we can help you.

Brimfield Memorial Day

While the traditional Memorial Day falls on the last Monday in May, Brimfield holds its Memorial Day tribute on the preceding Sunday, as several towns do. Whether held on a Sunday or Monday, it is a day to honor those men and women who answered their country's call to arms. Many did not return.

The origins of this tribute trace back to the post civil war period. Families set aside time to tend to the graves of tens of thousands of men who died in combat. It was a somber period.

It is for us to carry on the memory of those who have served our country in so many ways.

One or two weeks prior to Memorial Day the Veterans' Graves Officer ensures that each veteran's grave in each of the three Brimfield cemeteries has a flag and a marker. Brimfield's, girl scouts and boy scouts traditionally assist in that effort.

To look across our cemetery and see so many flags flapping in the breeze is truly an awesome sight, albeit humbling.

In addition we have a program with a speaker discussing different themes or historical issues. We also have a musical program. The purpose of it all is to convey a little bit of history to the generation coming along, and the fact that many sacrificed so much for our country not only in time, but in too many cases, their lives.

Brimfield, MA 01010

Report of the Brimfield Planning Board - 2016

The Planning Board normally meets the first Wednesday of the month at 7 PM in the Town Hall or the Town Annex. The Board reviews all building activity that requires site plan review, including but not limited to the commercially zoned area of the Town, the development of new Sub-Divisions, and other similar activities. The Board also reviews ANR (Approval Not Required) plans for property owners.

In 2016 we continued to oversee the SH Solarne2, LLC and SE Solarne2, LLC, solar panel array on Sturbridge Road. The Board hired Richardson, Brown and Rowe, Landscape Architects, to be our representatives and paid for by the petitioners, to remediate the issues with the buffer around the solar array. They will continue to oversee the growth and assist the Board with any recommendations or issues that may arise, for the next 5 years.

The Board held four public hearings this year, one being the proposed Zoning Bylaw changes for the 2016 Town Meeting.

The Board is in the process of overseeing two proposed sub-divisions. The first is Reservoir Heights which will be located off Sturbridge Road. The second is Genevieve Lane which will be located off Apple Road. Both these projects are in the beginning stages and will be overseen by the Board until completion.

The Board continues to work with the Zoning Officer on site plan review violations.

The Planning Board continues to work to update the Brimfield Zoning Bylaws. At the May 2016 Town Meeting we submitted a number of proposed changes to the Zoning Bylaws at the Town Meeting. We appreciate the support from all of you. At this point we do not have money for a master plan for the town but as we look at these proposed Zoning Bylaw changes we are committed to taking into consideration the long term aesthetics and development of the town.

Annual Report

For 2016

The following is the annual report of the Brimfield Police Department, and as always each year, I thank you for taking the time to read this document. 2016 represented my thirtieth year with the police department as your chief. In this report I will report upon our staff, salaries, the budget, calls for service, patrol hours, and some closing thoughts.

Our staff this calendar year was fairly stable; we did have two officers leave the agency but they had both been working limited hours. Off. Ian James took a job as a Court Officer and Off. Sean Marino had been hired by the Town of Brookfield Police Department. Both officers tried to work for us in addition to their full time jobs, but in June asked not to be reappointed. Both had been excellent officers for us, but ultimately the lure of a better position caused them to leave. In spite of their departures we did not hire anyone in 2016. Also, one of our officers has a special employment through the State Department and was shipped overseas in November, but we expect him back in May of 2017.

The following is the annual chart showing the officers, their hourly salaries, and their antique market earnings. Remember our salary budget is fixed each year so the addition or loss of an officer does not change the amount of our budget or the cost to the town.

<u>Officer</u>	<u>FY '17 hr Rate</u>	<u>Earnings CY '16</u>	<u>Market '16</u>
Chief Charles Kuss	\$33.67	\$42,744.00	\$10,446.00

Off. Todd Canedy	\$17.85	\$2,963.00	\$2,242.00

As you know, July 01st the department's budget starts a new fiscal year. We did have some growth for the FY'17 budget over the FY'16 budget. The salaries for the chief and the officers were raised slightly in July of 2016. The officer's total salary budget increased 2% for FY'17 to a total of \$115,102.00. For the chief, my salary increased to \$43,773.00. The expense account did not increase for FY'17 and remains at \$23,183.00, and if you add the clerk's salary of \$8,443.00, the total Police budget for FY'17 is \$190,501.00. If we divide by the approximately 3600 residents we have a cost of \$53.00 per person for FY'17, which is a significant value to the taxpayer. Most communities in the area have risen to between \$125 and \$175 per capita annually and some towns are in excess of \$200 per capita annually. The low funding does however sometimes limit the services we are able to provide. I continue to advocate for Brimfield to invest in one or two full time officers, as we are well past the size to justify it. I hope the topic will be addressed by the town in the near future.

Our calls for service totals in 2016 were up slightly from 2015, from 2,378 calls in 2015 to the 2,967 calls in 2016, about a 24% increase. Though it sounds dramatic, the increase is mostly traffic related, and is due mostly to changes in our personnel doing more traffic enforcement at my request. We've had an increase in traffic complaints from residents and we have tried to do some additional traffic enforcement as a result. Remember also, the State Police handle several hundred calls a year for us which are not included in our totals. The pages after this report show a breakdown of the calls by type and month.

Each year I comment on our patrol coverage and how I feel it is inadequate for a town of Brimfield's size and population. In 2016 we had funding for about 90 to 95 hours per week of patrol coverage, and I continue to advocate a level of 110 to 120 hours per week for a part time agency. FY '16 brought a slight increase in the patrol budget and in the second half of the year the town had a few extra hours of patrol coverage each week. The State Police will always be there to assist us but there are many times when their coverage is very thin and the trooper assigned to the west sector is covering five towns. I continue to discuss and negotiate with the Selectmen and the Finance Committee for additional funding to provide for more complete coverage. For the last several prior years there has been no money available and so there was no improvement in our patrol coverage, but with the increase for FY 2015 and FY 2016 we were able to patrol a few extra hours per week.

I truly hope that 2017 will prove to be a year of growth and development. The lack of a proper police station has continued to cause problems. The building committee has done an excellent job of creating solutions, but until one of these solutions are funded by a vote, we continue to just get by. I have been involved with this effort and will continue to involve myself in any way I can to help this process along. It is much overdue and I remain optimistic.

I wish to extend my annual "Thank you" to the people and departments who assist us and make our work easier and more enjoyable. We continue to have a great relationship with the neighboring towns and with the State Police. Our Fire Department continues to be a gracious host, to which we are most thankful, and we look forward to the day, (Hopefully soon), when we have a proper station of our own.

Please save the numbers below and call anytime or visit us during office hours on Wednesday evenings if you have questions or concerns.

Respectfully Submitted,

Charles T. Kuss
Chief of Police

Brimfield Public Access Television

23 Main Street, Brimfield Mass., 01010 ■ (413) 245-4100 ext. 151

After starting as Public Access Coordinator in February, my immediate goal was to put on TV more town board meetings and invite productions of public access programs from anyone in the community.

The first goal has been largely successful thanks to recruitment of a corps of video recorders largely made up of high school students through 2016. This recruitment is ongoing and residents of any age may inquire about stipend-paid positions for those who commit to recording town events and meetings.

We regularly record the boards of Assessors, Health, Selectmen, the Zoning Board of Appeals, Planning Board, Conservation Commission and others from time to time.

Efforts to produce local shows unrelated to government functions are slower to materialize. This remains a goal, and I welcome your program ideas for interviews, on-scene recording of interesting facets and of people in our town. One early success was completion of a documentary on "Bumpy" Howlett, the town's only soldier to die in the Vietnam War, which I began a few years ago with other volunteers.

Cablecasts are harder to locate on TV, since Charter moved access channels from easy-to-find low-numbers to:

Channel 191: Public Access for local and other programs of almost any kind that residents wish to see or produce

Channel 192: Government Access for town business and town-sponsored events coverage

Channel 194: Educational Access, generally streaming from Tantasqua Regional High School but able to carry programming directly from Brimfield Elementary School.

Program schedules are available online at Brimfield.tv and pending state legislation would require local programming to be specified on channel guides by Charter Communications and other Mass. Cable providers. This would be welcome so people can easily know when town boards and other shows are being shown.

We are starting to experience breakdowns of some equipment purchased between 5-10 years ago and have made modest replacements and repairs. Building improvement plans would have included hard-wiring all equipment in place in all meeting rooms. Those plans were rejected by voters, so having to set up and break down equipment for each meeting means we will continue to fight variations in quality and more equipment wear and tear.

Our funding comes from a portion of Charter cable customer bills, however any resident may view municipal meetings 24/7 on demand at Brimfield.tv, the Public Access website. We do repeat shows and will do so on request, but more new shows will keep your neighbors and yourself in better touch with the community.

Please feel free to contact me at publicaccess@brimfieldma.org or at 413-245-4100 ext. 151 with your ideas.

Respectfully submitted,

Bob Datz
Public Access Coordinator

Quaboag Valley Community Development Corporation and
Quaboag Valley Business Assistance Corporation
Brimfield

In 2016, the Quaboag Valley Community Development Corporation (CDC) and its affiliate agency, the Quaboag Valley Business Assistance Corporation (BAC) continued its focus on community economic development issues, particularly through assistance to small businesses. The board of directors of the BAC includes a representative appointed by the Selectmen from each of the fifteen participant towns. Brimfield's appointee is Carolyn Haley.

The BAC made small business loans using funds from a CDBG grant through the Town of Palmer and a loan from the US Dept. of Agriculture. The BAC also has funding from Massachusetts Growth Capital Corporation. A line of credit is established with five local banks: Country Bank, Monson Savings Bank, North Brookfield Savings Bank, Southbridge Savings Bank and SpencerBANK. In FY 2016, 14 loans totaling \$398,500, were made in the following towns: Hardwick, North Brookfield, Palmer, Sturbridge, Ware, Warren and West Brookfield.

The CDC continued to provide direct assistance to small businesses throughout the year, interacting with 109 businesses within the region. Of these, 91 received at least one hour of individual business development assistance with an average of 7.75 hours each. In some cases this was in the form of business planning assistance. In other cases it was outside consulting with attorneys, accountants, computer specialists, bookkeepers and marketing consultants. Most was underwritten by grants from the Massachusetts Growth Capital Corporation, the USDA RMAP program, and Community Development Block Grant funding.

Computer and business training to businesses and their employees continued through the CDC in 2016 in Brimfield, Palmer, Southbridge, Spencer, and Ware. At the request of local businesses and farms, we have added ServSafe and QuickBooks for Farmers classes. Workforce Development Training Funding through Commonwealth Corporation was awarded for 2015 through 2017. It provides for free software training in QuickBooks and Microsoft software such as Word, Excel and Access for employees of eligible businesses in Western and Central Massachusetts.

In answer to a strong community need, *E2E, Education to Employment: The Quaboag Region Workforce Training and Community College Center* is opening at 79 Main Street in Ware. Strong support from many local employers and individuals have made this collaboration with Holyoke Community College possible. Free workshops on topics such as Career Ready 101, Resume Writing, Interviewing Skills, and College Advising are available on Mondays.

Residents are encouraged to contact the CDC for help with business financing, training or development needs by calling 413-967-3001 or visiting the website: www.qvcdc.org.

Town of Brimfield Recreation Committee Report

The Brimfield Recreation Committee sponsors girls and boys soccer, basketball, tee ball, and instructional baseball and girls' softball. Our programs include children from ages 4-18, and we have over 200 children from Brimfield participating. The committee is also involved in the annual Truck-or-Treat event held at the Brimfield Elementary School.

Our Sports Directors:

John Buday	Soccer
Rusty Corriveau	Basketball / Vice Chairperson
Crystal McGuire	Baseball / Chairperson
Laurie Krusas	Softball

Additional Board Members:

Diana Landry	Treasurer
Kim Donze	Secretary
Craig Healy	Member

The committee would like to take this opportunity to thank Deb Adams for her unwavering dedication to the Brimfield Recreational Department:

Over the last 24 years, as the head of the committee, you have been incredibly selfless to volunteer your time and services to ensure that the youth of Brimfield were given the best possible opportunities. You have indisputably played a role in developing a strong Brimfield Athletic program. Your work has done much to generate pride and enthusiasm in students, parents, the BES administration, and our community in which you have served.

Whether it was coaching, organizing events, making schedules, opening/closing the gym, or cleaning the floor, you always had a smile. Your heart, dedication, and commitment never went unnoticed or unappreciated.

Most of all, you have instilled a love of the game in the hearts of our young athletes, and for this the town of Brimfield is endlessly grateful. Thank you Deb!

Lastly, we would also like to thank our coaches, the BES administration, our local businesses, and our highway, police, and fire departments. With your continued support, the Rec Committee will ensure that our youth are successful in their athletic endeavors.

Respectfully Submitted,

Crystal McGuire

Chairperson of the Brimfield Recreation Committee

Brimfield Elementary School
Annual Report 2016

Brimfield Elementary School serves Brimfield children in Pre-Kindergarten through grade six. On December 31, 2016 our enrollment was 301.

We are very excited to have new staff members for this school year. Dr. Andrew Koerner has been hired as our new School Psychologist, Samantha Beaudry is our new teacher in the STARS program, Kerri Coughlin has been hired as our new teacher in fifth grade and Mark Weissman is our new teacher for instrumental band. Kathy Anderson retired at the end of the 2015 – 2016 school year. On behalf of Brimfield Elementary School and the many students that she has impacted, I would like to thank her for her many years of service.

Brimfield Elementary School has launched an initiative for school wide Positive Behavioral Interventions and Supports (PBIS). The goal of this initiative is to educate all students in the planning and problem solving of social behaviors. When a school environment is positive and predictable, students feel safer, have better academic performance and make better choices. Our school has already started some of the initiatives during the 2015 – 2016 school year. We will begin our school wide positive reward incentive system in January of 2017.

We have continued to provide progressive school-wide specials and support programs to serve the needs of our students. Even in these challenging economic times, the School Committee and residents of Brimfield have continued to demonstrate their appreciation and unwavering support of the elementary school. It is through this support that we are able to foster a safe learning environment that meets the academic needs of all our students. The consistent staffing helps us to improve upon our programs with the goal of continued improved student achievement, especially in English Language Arts and Mathematics.

In April and May, students in grades three, four, five and six took the PARCC Assessment in math and ELA. Our fifth graders also took the MCAS Assessment in science. Our scores can be found on the Massachusetts Department of Education website, http://profiles.doe.mass.edu/parcc/achievement_level.aspx?orgcode=00430005&fycode=2016&orgtypecode=6&

**ANNUAL REPORT OF THE
SUPERINTENDENT OF SCHOOLS
Union 61 and Tantasqua Regional School Districts
Brimfield Brookfield Holland Sturbridge Wales**

Now in my fifth year as Superintendent of Tantasqua Regional and Union 61 School Districts, I take great pride in the accomplishments of our students, and the dedication and collegial and collaborative work of our staff.

The curriculum, instruction and assessment work in the district continues to progress and have a very positive impact on students. The teachers are working hard every day and continue to show a commitment to all the students in their classrooms. The MCAS and PARCC scores highlight gains in many areas and also help our teachers identify individual student needs. The individual schools offer action plans to help students close any learning gaps that may exist. As the State transitions to a new assessment system, Next Generation MCAS, we are confident that our curriculum planning and classroom instruction has prepared our students for success. .

Our commitment to common assessments, enhanced reading and writing, and rigorous math instruction at our schools has continued to help our children grow in all of the academic areas. Our elementary Standards Based Report Cards provide greater detail for parents and serve as a wonderful communication tool between the school and the home. Our teachers have made changes to the report cards so that the maximum benefits may be realized by the children and their families.

Both the Junior and Senior High School teachers are always working to ensure that our curriculum is in full alignment with the State Standards and that our children experience academic rigor throughout their day. Continued planning around common assessments and an enhanced focus on writing has greatly benefited the students at Tantasqua. Our elementary schools have undertaken three literacy pilots this year; two closer reading (Nancy Boyles and Accessing Complex Text) and one writing (Collins). These programs will expand and greatly enhance our already strong literacy curriculum. Additionally, we are reviewing the newly adopted State Science Standards and are well prepared to meet the State determined transition dates.

We continue to support both our teaching staff members and our paraprofessionals by continually providing professional development opportunities. In addition to our two full-day professional development days, we provide staff with four early release days scheduled during the year. We have provided training in Writing, as well as Common Assessment development, SMART board basics, Applied Non-Violence Interventions, MCAS Data Analysis, Understanding by Design, Curriculum Mapping, and content based best practices. During our district-wide Professional Development Day, we were very fortunate to have members of our professional staff provide leadership in areas such as: Mind and Body Wellness, Twitter, Inclusive Practices and Differentiation, Picture Writing, Managing Grade Data, Teaching with Writers' Notebooks, Brain Based Instructional Strategies, Linking Literacy and Learning via Art, Window 7/Office 2010/Assistive Technology, GOMATH Training, CPR/AED Basics, CPR/AED Recertification/Movement and Mindfulness, Aspects of Educational Law, Outdoor Science Workshop, Collings Writing, Executive Functioning, Common Disabilities in the Classroom, ACCESS/WIDA Training, Smartboard Training, FMLA/Student Record Email Guidelines, Mentor Training II, Social Skill Training, Reading Wonders, Teaching Strategies GOLD, MCAS-ALT, STEM in the Elementary classroom, ANV (applied non –violence), Registered Behavior Technician Training, Managing and Changing Difficult Behaviors that Interrupt Instruction, ESL MTEL Workshop. Additionally, Tantasqua Regional/Union 61 districts partnered with the Southern Worcester County Educational Collaborative to provide an even broader spectrum of continuing education. We continue to provide a great deal of professional development to support the needs of students with learning disabilities. As evidenced by the many high-quality activities undertaken throughout Tantasqua and Union 61, our district's mission is alive and well.

In FY 2016, many technology improvements were implemented. We continue to expand options for assistive technology. A working group at Holland Elementary School was setup to further define uses of assistive technology that will support student learning. In Brookfield we successfully implemented a MDM (Mobile Device Management) platform. This will allow our support team to more easily deploy apps and manage our mobile devices, while giving staff flexibility with the devices. At the Junior High School and Senior High School we installed wireless access points that provide building wide wireless coverage. The students in our electrical program did the majority of wiring in both buildings. Wales was able to completely replace and upgrade all of its computers, creating a perfectly standardized computer environment. Numerous carts of mobile devices were deployed at various buildings. We also upgraded Microsoft Office from 2010 to 2016. Our department was able to secure eRate funding for both Category 2 and Category 1 connections. The technology team completed over 2000 helpdesk tickets between the 7 buildings.

After many months of collaboration, the Administration of Tantasqua Regional and Union 61 School Districts completed an update of the District Improvement Plan. This culmination of effort resulted in our presentation of the plan at the Joint Committee Meeting in June 2016, and the vote of acceptance by the committee members. This document will serve as a blueprint for much of the work we will do over the next few years.

During FY 2015-2016, the Tantasqua Regional School District Committee created the AdHoc Turf Project Committee. Members worked diligently to look at the needs of the fields, and how they could be improved for our student athletes. The result was our new artificial turf fields, which were ready for use by fall 2016. I extend my deep appreciation to Michael Valanzola, William Gillmeister, Sheila Noyes-Miller, Deborah Boyd, Michael Lucas, Sean Mackin, Richard Wetherbee, and Michael Grennon for their input and the generous donation of their time to ensure a successful project.

Our administrative leadership continues as a strong, collaborative group of individuals. Each member brings to the table personal strengths, solidifying us as a cohesive team. Our senior administrative team remained whole, allowing for an experienced administration to continue in service to our students.

As always, the Administration of the Tantasqua Regional/School Union 61 Districts is deeply appreciative and values the support of our school committees and community members. We continue to work together collaboratively to achieve the goal of providing our students with every possibility for success.

Respectfully,
Erin M. Nosek, Ed.D

2016 Annual Report

January 2016 began with Eric Kinsherf, CPA managing the Accountant responsibilities for the town, following the retirement of Marie Arsenault.

A public hearing was held in February by massDOT for the reconfiguring of Rt. 20 from Brimfield to the Sturbridge line. This State Project will add a break down lane and drop lanes from 4 to 2, while creating several passing lanes. The State also completed sidewalks along the south side of Rt. 20 from the Library to the Post Office that are ADA compliant with curb ramps.

The board entered into a solar agreement in March along with Tantasqua for a cost savings for electricity through a Tyngsboro solar field.

April brought discussion for an Article at the Annual Town Meeting to create a line item to help manage the milfoil in Lake Sherman.

The June elections filled 2 new Selectmen positions, bringing the board to five members for the first time in Brimfield's history. Paul McCarthy and Harold Leaming became the newest members. We were sorry to see Judith Carpenter resign her position leaving the board with 4 members. The board considered holding a special election, but due to costs, chose to wait until the next regular town elections.

The town lost 3 longtime residents and employees in 2016 Wayne Stuart, Dick Morris and Steve Denning. We are thankful for their years of service and dedication to the town.

The new board quickly started the fiscal year off with creating a Grant Committee to help find money for new projects.

The fall was busy with having a structural survey done on the Annex building and the process of purchasing an additional pod for well needed storage. The board continues to work on the needs of the town buildings' structural integrity.

Changes once again came in December when the Eric Kinsharf accounting firm and the board failed to reach an acceptable contract renewal. After posting this position again, the board is pleased to have Marie Arsenault return as the Town's Accountant.

Respectfully submitted,
Board of Selectmen

REPORT OF TOWN COUNSEL

The year 2016 was an active year in which Town Counsel responded to a number of requests for opinions and advice from Town officials and represented the Town in several pending judicial proceedings. As always, we strive to provide fast and concise responses to requests for advisory opinions.

We have advised the Board of Selectmen and other Town boards and officials on general Town government issues, as well as various real estate, contracting, licensing, land use, law enforcement, Open Meeting Law and employment matters.

KP Law is committed to keeping the towns it represents updated on recent legal developments that impact municipalities. In 2016, as every year, we researched and provided, at no charge to the Town, memoranda and updates addressing various developments in municipal law. The following are among the subjects we addressed in these memoranda during 2016:

- Reporting Requirements Under the Affordable Care Act
- Cable Rate Regulation by the Massachusetts Department of Telecommunications and Cable
- Community Preservation Act Update
- Construction Manager At-Risk Contracts
- Federal Case Striking Down Panhandling Ordinances
- *Reed v. Town of Gilbert, AZ* – Regulation of Signs
- Extensive Changes to the Public Records Law
- Legislative Action to Raise the Net Metering Cap for Solar Facilities
- Changes to Federal Overtime Protection
- An Act Relative to Transgender Anti-Discrimination
- State Regulation of App-Based Ride-for-Hire Companies
- New State Law Requiring Equal Pay for Comparable Work
- The Open Meeting Law
- The Regulation and Taxation of Marijuana Act
- Recent Developments in Chapter 40B (Comprehensive Permits)

In addition, we hosted numerous training sessions across the state regarding the new Public Records Law passed by the Legislature and signed by the Governor in 2016.

In calendar year 2016, the firm had the following open litigation matters for the Town:

1. Klansek v. Town of Brimfield
Worcester Superior Court, C.A. No. 2013-2011-A

This was an action by the former Building Inspector, who claims that he was entitled to a larger portion of the building permit fee paid for a large-scale solar development project. The Town's insurer assumed defense of the case and appointed insurance counsel. The case was settled prior to trial and may now be considered closed.

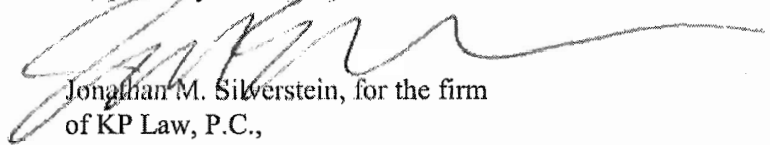

- 2.. Seaboard Solar Holdings, LLC v. Town of Brimfield, et al.
Hampden Superior Court C.A. No. 1679CV00578

ARTICLE 36: To see if the Town will vote to amend the General Bylaws by approving the following Non-Zoning Wetlands Bylaw, and authorize the Town Clerk to assign an appropriate chapter number consistent with the Town's existing Bylaws:

Section 1. Wetlands Protection. No one shall fill, erect, or otherwise alter any land within 25 feet of a resource area as defined in MGL Chapter 131, Section 40 (the Wetlands Protection Act) and the regulations at 310 CMR 10.00, except for the normal maintenance or improvement of the land in agricultural or aquacultural use.

Section 2. Waivers. This bylaw shall be enforced by the Conservation Commission, which may grant waivers at its sole discretion for access to land or where it finds that the waiver is necessary and that it will not harm the resources protected by this bylaw.

Section 3. Non-criminal disposition. In addition to any other remedy available in law or in equity, any person who violates any provision of this bylaw, or order of the Conservation Commission issued hereunder may, solely at the option of the Conservation Commission, be subject to non-criminal prosecution pursuant to M.G.L. c. 40, § 21D and Section 2.1.3 of the Town Bylaws. The election to pursue non-criminal disposition of a violation hereunder shall be determined by vote of the Conservation Commission. When enforced by non-criminal disposition, the following fines shall apply:

First offense \$50.00

Second offense \$100.00

Third and subsequent offenses \$200.00

Each day a violation exists shall constitute a separate offense. This Bylaw shall be enforced by the Conservation Commission, its agent or agents, or by any police officer of the town.

And further, by amending Section 2.1.3 of the Town Bylaws to include in the list of bylaws enforceable by non-criminal disposition the following, with the exception of the chapter number which shall be completed by the Town Clerk:

Ch. __, section 3 – wetlands protection bylaw and any regulations promulgated thereunder (Conservation Commission, agent(s))

1st offense \$50.00

2nd offense \$100.00

ARTICLE 37: To see if the Town will vote to amend the General Bylaws by adopting a Right to Farm Bylaw, and to authorize the Town Clerk to assign an appropriate chapter number consistent with the Town’s existing Bylaws:

RIGHT TO FARM BYLAW

__ .1 Legislative Purpose and Intent

The purpose and intent of this Bylaw is to state with emphasis the Right to Farm accorded to all citizens of the Commonwealth under Article 97, of the Constitution, and all state statutes and regulations thereunder including but not limited to Massachusetts General Laws Chapter 40A, Section 3, Paragraph 1; Chapter 90, Section 9, Chapter 111, Section 125A and Chapter 128, Section 1A. We the voters of the Town of Brimfield

restate and republish these rights pursuant to the Town's authority conferred by Article 89 of the Articles of Amendment of the Massachusetts Constitution, known as the Home Rule Amendment. This Bylaw encourages the pursuit of agriculture, promotes agriculture based economic opportunities, and protects farmlands within the Town of Brimfield by allowing agricultural uses and related activities to function with minimal conflict with abutters and the Town. This Bylaw shall apply to all jurisdictional areas within the Town.

2. 2 Definitions

The word "farm" shall include any parcel, or contiguous parcels, of land or water bodies used for the primary purpose of agriculture, or accessory thereto. The words "farming" or "agriculture" or their derivatives shall include, but not be limited to the following:

- farming in all its branches and the cultivation and tillage of the soil;
- dairying;
- production, cultivation, growing, and harvesting of any agricultural, aquacultural, floricultural, viticultural, horticultural, or nursery products or commodities;
- growing and harvesting of forest products upon forest land, and any other forestry, lumbering or tree growing operations;
- raising of livestock including horses;
- keeping of horses; and
- keeping and raising of poultry, swine, cattle, ratites (such as emus, ostriches and rheas) and camelids (such as llamas and camels), and other domesticated animals for food and other agricultural purposes, including bees and fur-bearing animals.

The word, "farming", shall be further defined to encompass activities including, but not limited to, the following:

- operation and transportation of slow-moving farm equipment over roads within the Town;
- control of pests, including, but not limited to, insects , weeds, predators and disease organism of plants and animals;
- application of manure, fertilizers and pesticides;
- conducting agriculture-related educational and farm-based recreational activities, including agri-tourism, provided that the activities are related to marketing the agricultural output or services of the farm;
- processing and packaging of the agricultural output of the farm and the operation of a farmer's market or farm stand including signage thereto;

- maintenance, repair, or storage of seasonal equipment, or apparatus owned or leased by the farm owner or manager used expressly for the purpose of propagation, processing, management, or sale of the agricultural products; and
- on-farm relocation of earth and the clearing of ground for farming operations
- construction and use of farm structures and facilities for
 - the storage of animal wastes, farm equipment, pesticides, fertilizers, agricultural products
 - the sale of agricultural products
 - the use of farm labor, as permitted by local and state building codes and regulations; and
 - including construction and maintenance of fences.

.3 Right To Farm Declaration

The Right to Farm is hereby recognized to exist within the Town of Brimfield. The above-described agricultural activities may occur on holidays, weekdays, and weekends by night or day and shall include the attendant incidental noise, odors, dust, and fumes associated with normally accepted agricultural practices. It is hereby determined that whatever impact may be caused to others through the normal practice of agriculture is more than offset by the benefits of farming to the neighborhood, community, and society in general. The benefits and protections of this Bylaw are intended to apply exclusively to those agricultural and farming operations and activities conducted in accordance with generally accepted agricultural practices. Moreover, nothing in this Right to Farm Bylaw shall be deemed as acquiring any interest in land, or as imposing any land use regulation, which is properly the subject of state statute, regulation, or local zoning law. This Bylaw shall not supersede local, state, or federal laws or regulations.

.4 Disclosure Notification

Not later than 21 days after the purchase and sale contract is entered into, or prior to the sale or exchange of real property if no purchase and sale agreement exists, for the purchase or exchange of real property, or prior to the acquisition of a leasehold interest or other possessory interest in real property, located in the Town of Brimfield, the landowner shall present the buyer or occupant with a disclosure notification on a form prepared by the Town which states the following: "It is the policy of this community to conserve, protect and encourage the maintenance and improvement of agricultural land for the production of food, and other agricultural products, and also for its natural and ecological value. This disclosure notification is to inform buyers or occupants that the property they are about to acquire or occupy lies within a town where farming activities occur. Such farming activities may include, but are not limited to, activities that cause noise, dust and odors. Buyers or occupants are also informed that the location of property within the Town may be impacted by commercial agricultural operations including the ability to access water services for such property under certain circumstances."

.6 Severability Clause

If any part of this Bylaw is for any reason held to be unconstitutional or invalid, such decision shall not affect the remainder of this Bylaw. The Town of Brimfield hereby declares the provisions of this Bylaw to be severable; or, take any other action thereon.

(Agricultural Committee)

2017 Trail Committee Annual Town Report

In 2017, the Brimfield Trail Committee - working with local officials of the U.S. Army Corps of Engineers - continued to expand its efforts to transform the 'Titanic Rail Trail' into a resource the entire community can use and enjoy.

The Committee was awarded DCR and Massachusetts tourism grants in previous years for work on the bridge to cross the Quinebaug River. The geotechnical report has been completed. From the report, the committee has applied for another DCR grant to have the 'shovel ready' plans completed.

In 2016, the Committee, the Corps, and interested area residents devoted frequent work days to trail clearing and maintenance, and they cooperated on special national trails and public lands days. That cooperation will continue in 2017 as well. This past work season, working with the Holland Trail Committee, we completed spreading the gravel on the trail connection to Holland.

This past year, we installed new trail signs to help guide visitors and spread gravel on the trail race route. This work is funded from grants and/or fundraising..

The public is welcome to attend meetings, join in trail work and activities, and enjoy the trail for running, walking, and horseback riding. Maps and other information are available on the trail's website, www.BrimfieldTrail.org

Trail Committee members include Scott Gerrish, Rob Mahlert, Bill Simonic, Richard Haller, Paul Adams, Dick Costa, and Beverly Tetreault from Country Bank for Savings.

The Committee meets the second Tuesday of the month, or as posted.

2016 was a productive year in the Treasurer's Office with the completion of several projects as well as processing of all payroll and vendor warrants management of Town funds and administration of employee benefits.

The Insurance Advisory Committee continues to meet to discuss the rising costs of Health Care and research savings options for the Town and its employees. This year, cost savings were found by eliminating a higher cost health plan option, continuing with a deductible plan, a PPO Plan and consolidating the Tier structure to Individual and Family plans. These changes provided cost savings for both the Town and employees.

We have been pleased to offer wellness programs for our employees through MIIA Health Benefit Trust again this year. Yogalates (Yoga/Pilates) classes ran in the spring and fall. This wellness program has been a great success with 12-15 employees participating in each class.

The Treasurer's office is committed to working with property owners to resolve outstanding Tax Title Accounts. In 2016, \$110,905.78 was collected in outstanding taxes, interest and charges. 12 properties were redeemed in full, payment agreements have been established on 18 accounts, and 13 Land of Low Value properties are awaiting Land of Low Value foreclosure from the Department of Revenue - which were granted in January 2017.

Town of Brimfield Tree Warden

Zachary Lemieux

Tree Warden

During the spring of 2016 the trees on the Brimfield Common were all treated to help control the gypsy moth population. We continued to prune deadwood, raise the limb level and remove any other hazard limbs on the Common. All work was done by a certified arborist and paid for through grant money. In the fall, all trees were fertilized with a liquid slow release fertilizer to promote growth, in accordance to the maintenance plan implemented a few years ago.

Hazard and dead tree work continued in 2016 on Paige Hill Rd, Holland Rd, East Hill Rd, Little Alum Rd, Brookfield Rd, Dunhamtown Palmer Rd and Old Palmer Rd.

National Grid removed 34 Brimfield owned trees identified by National Grid Arborist in a Hazard Mitigation Program. The program included a tree by three assessment of the Main 3-phase lines in Brimfield. Town owned trees that were a hazard and /or prone to failure, or pose a threat to public safety and endanger the reliability of the main power lines along these routes were removed. Work was done on Marsh Hill Rd, Brookfield Rd, Wales Rd and Holland East Brimfield Rd. National Grid also removed another 57 trees on various other roads in Brimfield. These trees were either dead, in decline or had previous storm damage.

Over the summer we continued to perform roadside mowing and brush clearing on all roads.

I would like to thank George Knight and Roger Gagnon for their dedication and willingness to help day or night as needed.

If you have any concerns about a town owned tree near your property, please feel free to call me at 245-4103.

Sincerely,
Zach Lemieux
Tree Warden

TOWN OF BRIMFIELD
VETERANS' AGENT REPORT

This year proved to be another steady year for the department of veterans, my rolls have stayed about the same while helping more Veterans. I have 4 VA claims in as of now and have had 2 claims approved for Veterans in town.

I continue to meet with Veterans/ widows during my regular Office hours of Tuesday and Thursday 8:00 a.m. – 12:00 p.m. and also make appointments with people who cannot make my office hours. Beginning this March 2017, I will be at the Senior Center from 9:00a.m. – 11:30 p.m. on the 3rd Monday of the month. These hours will help those who cannot come to my office.

It continues to be a pleasure to serve the Veterans of Brimfield and a town that shows so much support for the Veteran Community.

The Veterans Agent can be reached at 413-535-9235 for Questions and Appointments.

Respectfully Submitted,

MARK A. AVIS

Director of Veterans Service

Zoning Board of Appeals

2016 Annual Report

The role of the Zoning Board of Appeals

Section 11.2.1 To hear and decide an appeal taken by a person aggrieved by reason of his inability to obtain a permit from any administrative official under the provisions of Chapter 40 A, General Laws or by any officer or board of the town, or by any person aggrieved by any order or decision of the zoning officer or other administrative official in violations of any provisions of Chapter 40 A, General Laws, or of this bylaw.

11.2.2 Special Permits

To grant a special permit as provided by sections of this bylaw when it shall have found after a detailed study, duly advertised public hearing, held within sixty-five (65) days after filing of an application with the Board of Appeals, a copy of which shall forthwith be given to the Town Clerk by the applicant, and the concurring vote of all members of the Board of Appeals, that the use involved will not be detrimental to the established or future character of the neighborhood and town and subject to appropriate conditions or safeguards if deemed necessary. Special permits shall lapse if construction or use has not begun within two (2) years of issuance, in accordance with the provisions of Chapter 40A, Section 9 of the General Laws of the Commonwealth. [amended May 2012]

11.2.3 Variances

To authorize upon appeal, or upon petition in cases where a particular use is sought for which no permit is required, with respect to a particular parcel of land or to an existing building thereon a variance from the terms of this bylaw where, owing to conditions especially affecting such a parcel or such building but not affecting generally the zoning district in which it is located, a literal enforcement of the provisions of this bylaw would involve substantial hardship, financial or otherwise to the appellant, and where

desirable relief may be granted without substantial detriment to the public good and without substantially derogating from the intent or purpose of this bylaw, but not otherwise. Nothing in this bylaw shall be construed as granting the Board of Appeals the power to authorize a use or activity not otherwise permitted in the district in which the land or structure is located. [amended Sept 1980]

Members of the Zoning Board of Appeals

The Board is made up of three members and two associates. The Board annually elects a Chairperson. Each member volunteers his/her time and efforts on considering the granting of Special Permits and Variances as allowed by the Zoning By-laws. The Board members are appointed by the selectmen. Members of the 2016 Zoning Board of Appeals are: Michael MacFadden, Chairperson, Kim Adams, associate member Judith Carpenter, Donald Damon and associate member Elizabeth Smola.

Hearings held by the Zoning Board of Appeals in 2016

1. An Appeal of the Determination of the Brimfield Zoning Officer's decision by Seaboard Solar, LLC for a commercial solar facility zoned agricultural/residential at 53 Apple Road, Brimfield Ma. The Board's unanimous decision was to uphold the Brimfield Zoning Officer's decision that a commercial solar facility is not an allowed use in the agricultural /residential district. This decision is on appeal in Hamden District Court.
2. An Appeal of the Determination of the Brimfield Zoning Officer's Decision for property at Apple Road and Genevieve Lane zoned agricultural/residential Assessors Parcel Map 4 Block E Lot 2.23. The Board's unanimous decision was to overturn the Zoning Officer's decision. The Board found that the gravel operation at Apple Road and Genevieve lane is not a substantial increase with respect to the grandfathered operation. No appeal was filed.

3. An Appeal of Conditions of the Brimfield Planning Board Site Plan review with regard to fencing at 41 Sturbridge Road, zoned business. The Board voted unanimously to deny the appeal of the conditions of the Site Plan Review relative to the fence for the property at 41 Sturbridge Road. No appeal was filed.
4. A variance application for 0 St. George Road Assessor's Parcel Map 2 Block B Lot 1. Zoned agricultural/residential. The Board determined that the parcel did not meet the first requirement of MGL Chapter 40A Section 10 for the granting authority to approve the variance therefore the board voted unanimously to deny the dimensional variance application.

Accounts payable

Clerk pay: \$400. Postage for letters to abutters regarding hearings and determinations of the committee: \$128. Stonebridge Press for publication of legal notices: \$290. Miscellaneous expenses for supplies: \$16.

Accounts receivable
